6th Annual Charity Golf Classic

Sponsored by

Campaign for Kids would like to say "thanks" to all the businesses who made our Tournament a huge success.

Waterville Michelin plant Manager Grant Ferguson and Michelin mascot Bib, visited with Campaign for Kids chairman Laurie Wanamaker.

The ScotiaBank-Kentville Branch team took home the trophy for posting the best score of the day.

Campaign for Kids held its 6th Annual Charity Golf Tournament sponsored by Michelin under sunny skies on September 19, drawing 25 teams for an enjoyable day of golf at 14 Wing Greenwood Golf Club and raising \$14,000 for community projects. One hundred per cent of funds raised through event sponsorship, team fees and the dinner auction and 50/50 draw will stay in Kings County to support local families in need. The golf committee extends a big thank you to all who contributed and took part and congratulates the team of Mike Mills, David Acker, Scott Allen and Mike Berringer from Kentville's ScotiaBank Branch on their first place finish in the tournament.
